CR 120-106

O R D E R

A jury trial was held in the captioned criminal case on August 2, 2021 through August 3, 2021. On August 3, 2021, the jury began deliberations and was unable to successfully return a verdict after deliberating for an extended period. Because the jury was hopelessly deadlocked, and for the reasons entered into the record at trial, a mistrial was declared due to manifest necessity.

ORDER ENTERED at Augusta, Georgia, this 4th day of August, 2021.

J. RANDAL HALL, CHIEF JUDGE
UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF GEORGIA
